1. As a result of the turnover to C-2 of the operational handling of AEMARSH/15, it is requested that CGB Frankfurt furnish C-2 with a copy of A/15's Personal History Statement, his 201 file number, and a copy of any memorandum of Oral Commitments that may have been made.

2. During an operational meeting with A/15 on 4 May he mentioned that during his recent LCFUTTER visit in Hamburg he had talked with C-2 about continuing his intermittent relief package shipments to contacts inside Latvia. He states that this had been agreed in principle and that he consequently has ordered a clothing shipment from one of the commercial concerns in C-2 engaged in this business. Payment will be due about 13 May and A/15 has turned to C-2 for the funds. Based on A/15's statements and from what C-2 recalls of his conversation with C-2 on 26 March, these periodic shipments by A/15 are in support of a FRCB developmental operation. C-2 Station will make the payment to A/15, and it is requested that CGB Frankfurt furnish C-2 with the allotment number to which the amount should be charged and specify the limit and frequency of future identical expenditures.
